

#### Customer Comments: Elder Care Solutions

- ✓ “My mother has leukemia and often has health emergencies where she needs more care. *Just in Time Care* allowed me to get her some extra care when she needed it without having to take time off from work.”
- ✓ “I’m a caregiver for my elderly father. He fractured his shoulder and needed assistance during the day for approximately four weeks.”
- ✓ “Father was ill and not able to be left alone. Care was provided by an agency. Helps financially with the cost of the care. Increase the number of days covered.”
- ✓ “My elderly mother had what was thought a minor procedure but with incapacitating side effects that required acute home care. [*Just in Time Care*] saved me from taking a week vacation.”
- ✓ “[In-home agency provides transition care to my mother who is 85 and lives in North Jersey. Provides someone who can help my mother out when it is not convenient for me to be there and helps me to avoid having to take time off from work – a great program and sense of assurance that someone can help my mom out.”
